

Flash Banners for Zen Cart and osCommerce

AdvertSolutions.com Banner Adverts have just launched the latest in a line of simple tools for ZenCart and osCommerce users...

Flash Banners

These simple to use banners take product information from your shopping cart and add them into a stylish scrolling banner, which can be any size that you like!

More information can be found on the website, and a demo Zen Cart, enhanced with flash banners, is to be found [HERE](#)
