

More Pages we designed

Specialising in custom Wordpress designs, and matching wordpress to zencart and oscommerce, here are some of the amazing websites that we have recently designed...

We have designed many websites. Quite a few are listed below, and here are some of our older ones.... Enjoy

http://www.directoespana.com/mitchell_properties/

The right way to make a property website - using Wordpress

<http://www.rdmechanical.co.uk/>

Wordpress used in a very non wordpress way...

<http://www.bathmate.se/blog/>

Wordpress matched to an existing site to allow this client to begin blogging and bringing in more site visitors.

www.dcp-ireland.com

Yet more Wordpress Design for this clean business website. Designed on behalf of the Pierce Group

www.quelltraining.com

Wordpress adds to the nice usability of this website. Designed on behalf of the Pierce Group

www.piercecommunications.co.uk

Wordpress website made to this customers specifications and graphic designs. Nice.

www.myquintessentialhealing.com/

Wordpress website with a calm and serene feeling.

www.EmpoweredLeaders.com/

Joomla website also acting as a blog and events calendar.

www.JazzAgeClub.com/

Wordpress website about the 1920's - cool! Cufon makes it themed nicely.

www.blackrockmedicalclinic.ie/

Wordpress website for a Womens medical Clinic in Ireland

www.conflict-mastery.com/

Joomla 1.5 Customisations

opulence.theanneboleynfiles.com/

Wordpress with an accordion menu and sifr text can be so darn sexy!

Vanessa Leven

Wordpress customisation for a good client of ours.

Talon Outdoor

Wordpress customisation and lots of custom NextGen Gallery work, especially on the "our-work" page.

Go Cleanup Domestic

Wordpress salesletter website - using our rapid wordpress salesletter template. The sales copy was written by us too!

BestBirthdays.com

ZenCart looking as little like ZenCart as it can. It's amazing what can be done!

Party-Shop.com

ZenCart - it's the sister site for BestBirthdays.com

Central-Cuts.com

Wordpress - a strong theme helps this site to shine
